## East Bethel Chamber Legislative Breakfast 8/12 A Message From Our President

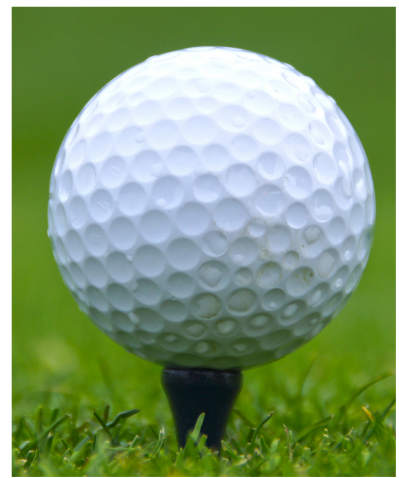

The East Bethel Chamber Board and member committees have been hard at work getting business back to normal. Yesterday we had a successful East Bethel Legislative Breakfast at Minnesota Fresh Farms. We heard from area legislators on issues effecting the East Bethel businesses and area.

Our 8th Annual Chamber Golf Outing is coming up on Friday, September 10th at Hidden Have Golf Course. There's still room to play and there is still hole sponsorship available as well. If you're a chamber member and would like to provide "goody's" for the golf bags, please drop them off at the East Bethel City Hall during business hours. More information available on our website. If there is anything the chamber can do to help your business, please don't hesitate to reach out. We look forward to networking more throughout the remainder of 2021!

*Sincerely,*

*Brad Clawson Jr*

## A Prime Example of Community Business

Chris and Heidi Amiot are a true case of "it's all about the community". After their home was damaged by storms, Chris and Heidi decided that they didn't want their community members to experience the hardships they had. No more fighting with insurance companies or struggling to get quotes from local construction businesses while living with a storm damaged home or business. [Read More....](#)
