A Message From Our President

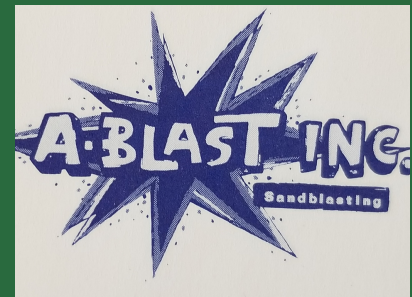

Happy New Year! We hope that this year brings you great success in your business. As a chamber of commerce, it's our mission to facilitate business relationships and opportunities, to advocate on behalf of members to governmental bodies and the general public, and to promote the best interests of our membership.

We have some great things coming in 2022, and we are glad that you are a part of the East Bethel Chamber of Commerce.

We are looking for more businesses who would be interested in hosting one of our monthly meetings, so if you are interested, please reach out to Liz Pomplun at lpomplun@villagebankonline.com.

Sincerely,

Brad Gleason Jr
