A Publication by East Bethel Chamber of Commerce

## East Bethel Chamber Tour - Aggressive Hydraulics

East Bethel Booster Days is a long standing tradition in northern Anoka County. We are a family oriented event that celebrates the City of East Bethel. We hope you join us the third weekend of July

Community support is vital for our event!

As a 501(c)3 organization we rely on the gifts and support of our local community members. Each year we offer sponsorship opportunities so we can provide this event for our residents and neighbors! If you would like to support our event financially or through a gift of your time, please visit our Sponsorship Opportunities or Volunteer Info page!

Be a vendor!

Visit our Vendor Info page to see how you can join us the third weekend of July. Our vendor market is always a fun area to visit. From crafters to information, food and beverages, we are always looking for new vendors.
